Each harvest season approximately 200,000,000 pounds of binder twine are used in binding the small grain crop of the U. S. This year the price for twine is moderate, that none of the loud and long complaints often known at harvest time have been heard.

employees seem to think that the orders which appeal to them are the only ones which must of necessity be obeyed.  
That money is getting easier for the farmers is indicated in the mortgage records. Take a look at the records and you will find instruments going on record to show that farm loans are again being made on a 6 per cent basis.  
With the changes that have recently come about in the U. S. senate and others in prospect, the seniority rule is becoming less and less popular. After all, the length of service is not the surest indication of ability. It is quite possible that senators elected and re-elected for several terms may not have the qualities for committee chairmanship equal to those of senators who have held office for a much shorter period.  
Now that the use of one swimming pool is available for Jacksonville people and with two more pools in prospect it is well to remember how valuable a thing is swimming knowledge. The boys and girls of Jacksonville should not miss the opportunity to learn to swim, for that knowledge in after years may mean the saving of their own lives or enable them to give life saving service to others. Swimming course requirements in the schools wouldn't be at all bad.

Senator McCumber of North Dakota must be accounted as one of the very few politicians who could see his own defeat coming. The senator has been a conspicuous figure in Washington for 15 or 20 years. For some days past he has indicated the belief that he would lose his fight for re-nomination in the primary.  
It is not often that a candidate is willing to concede his defeat in advance. Perhaps that concession had something to do with the result.

Not a great deal of noise has been made about a building boom in Jacksonville. In fact, there has not been a boom, but if you will make a trip of inspection thru the streets of the city you will find that numerous houses are in the course of erection.  
Talk to contractors and you will find that others are in prospect. It is noticeable, too, that practically every house in course of construction is a very substantial affair. There is nothing flimsy or small about the building operations in Jacksonville.  
The inspection trip referred to will also thoroughly convince you that more Jacksonville houses are being painted this summer than ever in one season before.

It is reported that an organization styling itself "The National Housewives' League," with headquarters centrally located in New York City, is sending out circulars to the housewives of America urging that they use their influence to prevent the enactment of the Republican tariff bill. Enclosed with the circular are blank petitions, pro-

testing against the bill which are intended to be mailed to Members of Congress.  
The circulars characterize the duty rates as "fines levied by American men upon American women and upon American children." It is pointed out for instance, that a common bread knife, made in America, can be sold at a profit for 63 cents, while the bill now pending would give the maker a bonus tax of 13 cents; and a 10-cent assortment of the food tariff doubles the tax on dried apples and trebles it on fresh apples.  
It is more than likely that the National Housewife league is really an organization of housewives.

**NEW DORMITORY AT SCHOOL FOR BLIND**  
Work is Soon to Begin on New Building Will House Fifty Girl Students — Other Betterments Also Planned.  
There will be active building and repair work on all of the state institutions during the summer months. At the School for the Blind, R. W. Wolston managing officer said yesterday the most important betterment will be the erection of a dormitory building for girls. This structure is to be erected on the west grounds of the school at a point several hundred feet northeast of the little girls' cottage.  
The building will be 36 by 120 feet in its general dimensions, two stories in height and of brick and tile construction. Ground will be broken at an early date and it is expected that the building will be ready for occupancy in the late fall.  
The plans were prepared by State Architect Edgar Martin and the building will be under the superintendency of Mr. Canfield who is a representative of the state department of public welfare in building operations.  
The dormitory will provide room for 60 girls. The addition of this building will make it possible to cease the use of the third floor of the main building for dormitory purposes and thereafter no pupils will be housed in the main building.  
The dormitory will provide much better facilities for the girls and the release of the third floor rooms in the main building will give the added space needed for school room purposes.  
The improvement program at the school also includes the erection of several porches and 10,000 feet of hard wood floors are to be laid in the various buildings.

**MISS HUDSON WEDS IN KANSAS CITY**  
Young Women Well Known Here Married to Adolph H. Kloepper  
In Kansas City recently Miss Lavinia Hudson became the bride of A. H. Kloepper. The ceremony took place at the home of Mrs. Frances Markkille. The bride in this ceremony and Mrs. Markkille are quite well known in this city. Mrs. Kloepper is a niece of Mrs. Dora Lowdermilk and William Mansfield of this city.  
The Kansas City Times gave the following notice of the wedding:  
"The marriage of Miss Martha Lavinia Hudson, daughter of Dr. and Mrs. Walter Scott Hudson, to Mr. Adolph H. Kloepper was at 8 o'clock last night at the home of Mrs. Frances E. Markkille. The Rev. Burris A. Jenkins read the service before the mantle which was banked with palms, ferns and baskets of Ophelia roses. The bride, who was given in marriage by her father, wore a gown of white chiffon trimmed in white chiffon roses. Her veil was held in place by a band of pearls. She carried a shower bouquet of bride's roses and lilies of the valley. Miss Lola Markkille was bridesmaid and she wore a frock of orchid orange and carried a bouquet of Richmond roses and orchids. Mr. Frank Markkille played the wedding march. Mr. Stanley Sellers acted as best man for Mr. Kloepper. At the reception following the ceremony, Dr. and Mrs. Hudson and Mrs. Markkille were assisted by Mrs. Gwendolyn Hudson, Mrs. E. R. Pittam, Miss Lola Markkille and Mr. Edward Hudson. Mr. and Mrs. Kloepper left for a western honeymoon and will be at home after July 15 at the Rex Arms apartments."

**MAURICE JUSTICE DIES IN INDIANA**  
Former Resident Succumbs to Heart Trouble — Was Well Known for Athletic Ability.  
Mrs. Sarah Price of 343 West College street received a message yesterday telling of the death of her brother, Maurice Justice, which occurred at his home in Richmond, Ind., Wednesday.  
The message did not give the cause of death but it is thought that it was heart trouble as he had been suffering from that disease for several months.  
Justice was the son of Joseph and Ann Justice and was born in this city September 9, 1871, and his early life was spent here. His father was a well known brickmason and he followed that trade which he followed for some years, being associated with his father in business.  
He was united in marriage to an Ohio girl and for some time lived in Piqua in that state. Later he removed to Richmond, Indiana where he was employed as mechanic in one of the factories in that city. Recently he had been a watchman in a factory.  
Mr. Justice's wife died a number of years ago. He is survived by two sons, J. M. and Louis Justice, both of Richmond, and two sisters, Mrs. Price and Miss Emma Justice, of this city.  
Justice attended the public schools in this city and also was a student at Illinois College. He early showed exceptional skill as a baseball player and was a member of the high school team and of local aggregations.  
In 1891 he entered Illinois College and was a member of the baseball team that fall. In 1894 he was again at the school and was a member of the baseball team and of the famous football team of that year. This team was coached by W. B. Conover of the class of '91 at Illinois who had later attended Chicago University where he played on the first team Stagg ever turned out at that school.  
This team is regarded by old timers as one of the greatest ever represented the college. The team was captained by J. M. Duer and contained in its personnel, Sam Hunt, now chief of the fire department; Doc Dinsmore, Frank Belt, Bob Gayle, Gordon Carter, Justice, Frizzell, Perrin, Patefish and O'Rourke. Justice played fullback on the team, and the one of the lightest men on the squad was noted for the manner in which he hit the line.  
In 1895 Justice went to Adrian, Michigan, and played shortstop with that team in the Michigan State league. The following year he was with Newark, N. J., in the Eastern league. He was dissatisfied with his surroundings and left the team and professional baseball.  
Later he played with semi-professional teams in Ohio and in Richmond, Ind., and always was brilliant in his work. He has many friends here who will receive the news of his death with great regret.  
Funeral services will be held in Richmond and interment probably will be made in Piqua, Ohio, where his wife is buried.

**BLUFFS RESIDENTS HAD NARROW ESCAPE**  
Car Overturns Near Bridge East of Chapin But Occupants Escape Serious Injury — Other Bluffs News.  
Bluffs, June 29.—A party of Bluffs residents had a narrow escape from serious injury Tuesday night while returning from Jacksonville. They were traveling in Montie Blue's Overland car, with Charles Willis at the wheel. The car suddenly came upon a team of horses on the Mauvaister bridge northeast of Chapin and in attempting to reverse the car was driven into a nearby ditch and overturned.  
The occupants, Misses Ruth Robinson, Verna Schuessler, Messrs. Blue and Willis escaped serious injury. Miss Robinson sustained a slight cut on her neck but the others escaped without a scratch. Occupants were brought into town by Squire Arundel who passed the scene of the accident a few minutes later. J. H. Cohen of Jacksonville was called to the scene and succeeded in pulling the car from a ten foot ditch. One wheel was broken and the top badly damaged and the car is now being repaired at the Blue garage.  
A. P. Strahan and son Richard were visitors in Meredosias Thursday.  
Dr. C. A. Evans and son Rex, Mrs. Maggie Thorn and daughter Miss Marie have returned from Saybrook and other points nearby where they have been guests of relatives and friends for the past week.  
Dr. J. H. Stewart left Wednesday to look after his land interests in southern Texas.  
Mr. and Mrs. A. P. Strahan and son Richard have returned from a visit with relatives in Kansas City.  
Mrs. Mary Korty who has been confined to her home for several months as the result of a fall upon the ice last winter, spent Thursday with her daughter, Mrs. Rosa Finnigsmmer. Mrs. Korty sustained injuries to her hip in her fall and is still unable to walk without support. Her many friends rejoice at her improvement in as much that she is able to leave her room, and hope for her speedy recovery.

**BIRTHDAY DINNER AT WOODSON HOME**  
Mrs. George Cunningham Entertains in Honor of Howard Tendick's Birthday—Other Woodson News.  
WOODSON, June 30.—Mrs. George Cunningham entertained a number of relatives at dinner Friday, the event being in honor of the ninth birthday of Howard Tendick, son of Mr. and Mrs. Edward Tendick of Murrayville. The guests were Mr. and Mrs. Edward Tendick and family, Mrs. Hannah Tendick, Miss Dorothy Tendick, all of the Murrayville neighborhood.  
Mrs. R. C. Megginson went to Furka Friday for a visit at the home of her son, Cecil Megginson, and to become acquainted with her grandson, born Monday.  
Mrs. Howard Henry and children went to Quincy Friday to spend a week with relatives.  
There will be a patriotic program at the Presbyterian church Sunday evening. The pastor, Rev. A. E. Powell, will give an illustrated lecture on "The Lumberjacks."  
Bethel Cram of Doyle Station, Tenn., has ended a visit here with his daughter, Mrs. Earl White, and his brother, Dallas Cram. After a brief visit in Roadhouse he will proceed to his home.  
Mr. and Mrs. J. Chester Colton and daughter, Claire Lynette, spent Sunday evening with Mrs. Colton's parents, Mr. and Mrs. Albert Gibson in Franklin. They were guests while there at a picnic supper given in honor of Mrs. Gibson's birthday.  
Rev. I. H. Fuller will have for his subject Sunday morning at the Christian church, "Following Jesus." In the evening Mr. Child, an anti-saloon league worker will make an address at the Christian church.

**MRS. MARY FLYNN DIES AT HOME IN ALEXANDER**  
Long Time Resident of Morgan County Passed Away Friday Afternoon—Funeral to be Held Sunday — Alexander News Notes.  
ALEXANDER, June 30.—The death of Mrs. Mary Flynn came at 2:55 o'clock Friday afternoon at the family home in Alexander. Mrs. Flynn had been in ill health for a number of months, but her condition had not become serious until recent days.  
The deceased was seventy-two years of age at the time of her death, and the greater part of her life had been spent in Morgan county. Prior to coming to Alexander ten years ago the family lived in Sulphur Springs neighborhood.  
Surviving are four sons and one daughter, Silas Flynn, James Flynn, Martin Flynn and William Flynn, all of this vicinity, and Mrs. C. L. Dorsey of Waverly. William Flynn, the husband of the deceased, preceded her in death on Feb. 12, 1921.  
The funeral services will be held at 10 o'clock Sunday morning from the Sulphur Springs church, and interment will be made in the cemetery nearby.  
News Notes  
Mrs. J. L. Robinson of Kankakee is here for a visit at the home of Mrs. J. T. Little.  
Mrs. Henry Strawn of Jacksonville spent Thursday in Alexander.  
Harry Welch was a business visitor in Jacksonville Friday.

**UNITY WORKERS OF WOODSON CHURCH MET**  
The Unity Workers of the Woodson Presbyterian church held a regular meeting Friday afternoon at the home of Mrs. John Hoagland, east of Woodson. A program of music and readings was carried out, following the devotional services which were in charge of Mrs. Hoagland.  
During the business sessions plans were made for a number of social events during the summer. On July 6 the young people will hold a sandwich and ice cream social on the church lawn. Thursday, July 13th and every alternate Thursday evening during the summer the Unity Workers and the Woodson band will hold a joint ice cream and hamburger social. This plan is for the benefit of both organizations.  
Rev. A. E. Powell, pastor of the church, was present and made a brief talk, and later it was decided to have a big homecoming celebration for the church membership some time during the summer. The date of the annual chicken fry was fixed for August 3.  
After the business session came a brief social hour, during which time the hostess served delicious refreshments.

**STRICTLY CASH**  
Beginning today this store will operate on a strictly cash basis. As is generally well known, in operating a credit business the customer who pays cash or pays promptly when statement is presented, must pay his portion of the amount lost on account of "Slow-Pay-No-Pay," and no matter how carefully credits are handled there are hundreds of dollars of this every year. Selling strictly for cash we shall be able to give you quality merchandise at very greatly reduced prices, because we shall have eliminated all losses and a tremendously expensive bookkeeping and collection system. **UNITY WORKERS OF WOODSON CHURCH MET**  
The Unity Workers of the Woodson Presbyterian church held a regular meeting Friday afternoon at the home of Mrs. John Hoagland, east of Woodson. A program of music and readings was carried out, following the devotional services which were in charge of Mrs. Hoagland.  
During the business sessions plans were made for a number of social events during the summer. On July 6 the young people will hold a sandwich and ice cream social on the church lawn. Thursday, July 13th and every alternate Thursday evening during the summer the Unity Workers and the Woodson band will hold a joint ice cream and hamburger social. This plan is for the benefit of both organizations.  
Rev. A. E. Powell, pastor of the church, was present and made a brief talk, and later it was decided to have a big homecoming celebration for the church membership some time during the summer. The date of the annual chicken fry was fixed for August 3.  
After the business session came a brief social hour, during which time the hostess served delicious refreshments.

**STRICTLY CASH**  
Beginning today this store will operate on a strictly cash basis. As is generally well known, in operating a credit business the customer who pays cash or pays promptly when statement is presented, must pay his portion of the amount lost on account of "Slow-Pay-No-Pay," and no matter how carefully credits are handled there are hundreds of dollars of this every year. Selling strictly for cash we shall be able to give you quality merchandise at very greatly reduced prices, because we shall have eliminated all losses and a tremendously expensive bookkeeping and collection system. Use the cash system and save money.

**WOODSON CHURCH SERVICES.**  
Unity Presbyterian church of Woodson wishes to announce the Anti Saloon League will be represented next Sunday morning by Mr. C. D. Childs, a man well qualified to tell us of the present work of the league. Sunday evening the pastor will give a stereopticon lecture on the work among the Lumberjacks, this, we feel sure will be one of the most interesting of the lectures yet given.

RED CROSS WORKERS  
SEND LEGION PETITION

Officers of the local American Legion have received a petition for their endorsement, which if favorably acted upon will entitle the workers in the Red Cross to membership in the legion. Similar action is being taken by the Red Cross all over the country.

At the present time the membership in the Legion is limited to those who were regularly enlisted, drafted, inducted or commissioned into the American army or navy during the World War. The matter of admitting the Red Cross workers into the Legion will be decided at the national convention in New Orleans.

(Continued from Page One)  
lies in his executive committee of five men, a meeting of which will be held in Chicago July 3. Mr. Grable said, and at that time a thorough reconsideration of the situation will be made.  
Touching on the wage cut, Mr. Grable declared that the cost of living, as shown by government statistics, had actually risen in the face of the impending cut. Chairman Hooper immediately agreed that, whenever facts warranted, the board would readily reconsider wages in the light of changing conditions. Mainly upon this assurance of renewed consideration of his men's wages, Mr. Grable agreed that no strike call would be issued tonight and that his own efforts would be directed toward averting a strike.

**PARK BOARD CONSIDERS BOAT HOUSE PLANS**  
At a meeting of the park board held Friday at the Ayers National Bank building plans were considered for a municipal boat house on Lake Maunulsterre. The blue prints as prepared by O. C. Simonds & Co., of Chicago were gone over and the board will later receive estimates on the cost of the proposed improvement.  
The plans as submitted provide for a boat house with ten slips and the building will be constructed that additions may be made on either side. There is a probability that the boat house will be built on the north side of the Vandalla road. The fact that for the building of individual boat houses cannot be granted by the park board makes the need of a municipal boat house the more urgent.

**AMERICAN WOREKRS ARE RELEASED BY MEXICAN BANDITS**  
Consul Shaw Reports That Men Are "No Longer Held"

(By The Associated Press)  
WASHINGTON, June 30.—Americans working for oil companies in the Tampico region all were released by bandits, who had held them for ransom on the face of full information as to what had occurred at the two camps raided by the marauders. Consul Shaw at Tampico merely reported today that the 33 persons held by the raiders at Pecera camp of La Corona company were "no longer held." He previously has estimated that about half a dozen American citizens were included in this group and new representations that they be protected were sent to Mexico by the department.  
Consul Shaw was asked for a more detailed report of the most recent incident in the oil fields. It was not known whether the bandits had been bought off thru payment of ransom or driven off by the approach of federal forces.  
So far as recent events in Mexico may affect the question of American recognition of the Oregon government the action today of Representative Connally, Democrat, of Texas, in laying before the house a resolution proposing a joint congressional inquiry into the instances of bandit depredations against Americans may be significant of the impression being gained in Washington from these incidents.

**NURSES HOME TO COST \$50,000**  
DECATUR, Ill.—Construction of a \$50,000 addition to the nurses home of the Decatur and Macon county hospital will be started within the near future.  
The new structure will be erected on the east wing of the present building and will contain twenty-four rooms. The rapid growth of the hospital, authorities said, makes the addition imperative.

**EXPECT 500,000 VISITORS AT GAMES**  
DUBLIN.—Preparations are underway to accommodate 500,000 visitors expected here to witness the revival of the Aonach Tailteann, Irish "Olympic" games at Croke Park in August. Thirty-seven committees are spending \$14,000 appropriated by the government for the tournament.  
Every variety of contest from chess to weight throwing is on the program, arranged in connection with an exhibition of art and industry. Although the games will be international only those foreigners of Irish descent may compete.

**FIRES IN WHEAT FIELDS MYSTIFY FARMERS**  
Fires of mysterious origin have been reported in wheat fields on the farms of William Ledford and Arthur Ornellas near this city. There have been three of these fires in recent days, and a sharp lookout is being kept to prevent any more of them. Altogether about two acres of grain has been destroyed by the flames.

**FEW FIRES IN JUNE**  
Jacksonville has been very lucky the past month in that it has so few fires, there being only three during the entire month. Only a few hundred dollars comprised the losses suffered during that time.  
Hazel O'Donnell and Lydia Hunt went to Winchester Thursday evening.

**ORGANIZED ACTIVITY OF FARMERS IS URGED**  
Secretary of Farmers' Institute Sends Out Plea—Says Farmers Must Profit by Experience of Last Few Years.

SPRINGFIELD, Ill.—Organized activity among farmers of the state is the plea of a publication being sent out by H. E. Young, secretary of the Illinois Farmers' Institute.  
"This is the day of organization," says the publication. "That is a lesson you must learn as a result of the experience of the last few years. If it is right for those who sell your grain to unite and fix prices which they shall charge; if it is right for those who sell your livestock to do likewise; if it is right for the steel companies to unite in to one large company, handling 50 percent of the steel of the nation; if it is right for the railroads of America to unite in one great association representing over 90 percent of the railroad mileage of the nation; then it is right for the farmers of America to unite in a few powerful institutions which will safeguard their interest. The leading men of the country recognize this fundamental truth."

In conclusion the publication recites the following achievements of organized agriculture:  
"During the last year you have helped to write upon the federal statute books a law providing for the regulation of our grain exchanges.  
For the first time in the history of the United States we have a law providing for the governmental regulation and control of the livestock exchanges and packing industry.  
"Organized agriculture has helped in the establishment of the famous Agricultural Bloc which has so vigorously supported agricultural measures.  
"You have helped to secure the first general reduction in freight rates on any basic commodity throughout the United States that has ever been obtained in the history of American railroading, a reduction which will save the farmers of our country approximately one hundred million dollars annually.  
"You have helped in a marked degree to prevent the enactment of a sales tax as a substitute for an excess profits tax.  
"Two years ago you helped to secure a reduction in the tentative valuation of railroad properties upon which freight rates have to be based, aggregating one billion, seven hundred million dollars. This meant a net annual saving of approximately one hundred million dollars to the shippers of the country."

**NEW POSTOFFICE BUILDING AT NORMAL**  
NORMAL, Ill.—Arrangements have been completed for the erection of a new postoffice for Normal, owned by an individual, and to be leased to the government upon its completion.  
The building will be a two story structure. The postoffice will occupy the first floor while the owner has the privilege of leasing the basement and second floor to local firms.

## OUND CONVENTION FULL OF INSPIRATION

r. A. H. Dollear Told Rotarians Impressions of Los Angeles Gathering — Entertainment Committee Had Special Stunt.

At the luncheon of the Rotary club Friday at the Pacific hotel Mr. H. A. Dollear, who was a representative of the club at the international meeting, made a very interesting report of that convention. Dr. R. V. Brokaw was introduced as a new member of the

The guest list of the day included Aaron Odle of Benton, Rev. G. E. Stickney, Edward Tomlinson and Harry M. Capps, Jr., of Jacksonville.

Dr. Dollear said that it was the most inspirational gathering of the kind that he had ever attended, with 4,000 delegates and 2,000 guests in attendance. He commented upon the fact that while there were social features, that the convention as a whole was a very serious minded affair. The sessions were devoted to business and to addresses of an educational and uplifting kind.

Details both with reference to the program and the action of the club concerning future work and change in organization plans were presented.

The speaker said that he knew of a better way of suggesting the type of the convention than the impression he gained when at Grand Canyon enroute to Los Angeles. There at one time there were 35 special trains carrying 4,000 delegates, representing a membership of \$1,000 all making the journey toward one central point for the purpose of outlining and perfecting programs of work that will be beneficial to society.

As a feature of the program members of the entertainment committee had announced a radio program, presenting a Metropolitan orchestra selection followed by a

message from President Harding to all Rotary clubs in session on Friday.

### CUT CIVILIAN

**TRAINING PLANS**  
Washington, June 29.—Instructions sent by the war department today to corps area commanders directed that training plans for this summer for the civilian military training camps, the organized reserves and the National Guard be cut sharply to conform to the reduction in appropriations for the purpose made by congress.

Under the revised plans not more than 27,000 young men 17 and 27 years of age can be cared for in the civilian training camps this year, each corps area being limited by the new instructions to passing 3,000 students thru its camps. For the officers reserve corps the total to be called was cut to 18,000 to 4500, although an additional 900 reserve officers will be used as instructors.

### APPRECIATE MANY GIFTS

Passavant Hospital wishes to give thanks for the many splendid offerings given by various persons and organizations during the past month. Surgical dressings and other linen goods have been given in great liberality and are duly appreciated as they are much in need.

Mrs. Frank Irving of this city recently gave a large bouquet of sweet peas to the hospital.

Grace church presented several marked linen articles for use in their room in the new annex and the ladies of Hebron church donated several articles of linen and many surgical dressings. The Grace church ladies, the Centenary ladies and Mrs. Walter Ayers also made large offerings of dressings.

Mrs. R. G. Vasey of the Point neighborhood was a Friday caller.

## DEATHS

### Weakley.

Mrs. Emma Weakley died at her home in Prentice at 9:45 yesterday morning. The decedent was born October 3, 1853, daughter of John I. and Sarah Bailly. She is survived by two sisters, Mrs. Sarah Taylor of Prentice and Mrs. Fanny Minter of Ashland. One brother William Bailly of Peoria, two daughters, Mrs. Margaret Hull of Prentice and Mrs. W. E. ### KNICKERS AROUSE VOLIVA'S WRATH

ZION, Ill., June 30.—Police-men in the United States should be armed with quilts 15 feet square in which to wrap women wearing knickers before escorting them to jail, in the opinion of Wilbur Glen Voliva, overseer of Zion, as expressed in a sermon at Shiloh tabernacle.

Taking as his text first Timothy V. "In like manner also, that women adorn themselves in modest apparel," the overseer declared dress is an index of character. "Any woman in the United States who will put on man's attire and go strutting around ought to be arrested and locked up."

## PLEASING EXERCISES CLOSE D. V. B. SCHOOL

Pupils of Summer Vacation Bible School Gave Proof of Benefits Attached—Prizes Awarded for Work Done

First Baptist church presented a highly interesting scene last evening, the grand culmination of the Daily Vacation Bible School, when a sample of the daily routine of the little folks was presented to a delighted audience.

Previous to the exercises the visitors went thru the basement of the church and there beheld a superb display of the results of the manual training department which was in special charge of P. V. Coover and Rev. Marbach. It is impossible to give even a list of articles displayed. Suffice to say, hammocks large and small, toys and other articles made of wood, and various other things were on exhibition. Then too the drawings, and moulding, paper cutting and many other things done by the children were seen and admired.

Promptly at 7:30 Rev. W. H. Marbach, general superintendent of the work, appeared on the platform and to the stirring notes of "Onward Christian Soldiers," the children marched in to the church in genuine military style and took their seats. Mr. Marbach spoke briefly of the work which had been done and then said the opening number would be devotional exercises led by the Primary department. In orderly manner the children appeared on the stage with recitation, songs and prayer. It was very impressive.

Then came the kindergarten and the little folks captivated the audience with a little play entitled "God's Protecting Care," and other simple exercises very beautiful.

Following this came the Primary department with two missionary numbers. The children were supplied with flags of different nations and gave an idea of what is done by the faithful servants of the master board. Then a humorous feature was a song, "Ten Little Heathens" and another "Ten Little Indians," the boys disappearing one by one.

One of the most finished and striking numbers was the Juniors, who of course were the oldest and the better prepared. Under the leadership of Miss Grassly they gave a drama illustrating the story of Joseph. It was most admirably done and it was very evident that the lady who had this in charge had been in the land of Egypt and seen the people there at first hand, as the costumes and all pertaining to it were faithful and true to life.

At this point the Primary gave their booster song which was indeed vigorous and forceful and showed careful drilling.

A highly unique and attractive number was given by the Juniors under the leadership of Miss Mason. They sang several songs and then entertained the audience with several college yells, most vigorously given, to the delight of every one.

Not to be outdone the Intermediates came on with their songs and yells, almost raising the roof with the vehemence of their efforts. Showing also that they had been studying Bible geography as well as training their voices, a number of places were mentioned and promptly pointed out by some member on the map of Palestine. Rev. Mr. Howells, who has had charge of this department, said he had been told that they were the hardest to handle but he certainly had found it very different, and declared they were the best. He also spoke of the faithful efforts of Mrs. Edgar Martin who had remained with him through thick and thin at the piano. Mr. Marbach then announced the following prizes:

Prizes Awarded.

Large Hammocks—First, Harriet Ranson; second, Charles Hopper.

Small Hammocks—First Martha Margaret Jones; second Irma Carson.

Intermediates, Toys—First Martha Kitner; second, Donald Casey.

Juniors, Toys—First Russell Canatsey; second, Gladys Jensen.

Needle Baskets—First, Louise Leith; second, Pearl Howerton.

Rolla Baskets—First, Emma Corbridge; second, Elizabeth Biggs.

A special mention was made of Margaret Lansing who had the misfortune to have an arm broken the first week of the school but persevered and made a very good hammock.

Mr. Marbach said that great praise was due the teachers for their faithful and efficient work. They had appeared on the scene early and late and with signal devotion had given themselves fully to the work of the school and with most gratifying results. Although at the start it was feared it would be a failure, it turned out to be the opposite. The doors had to be closed to would-be pupils because there was no room for them and many regretted the end of the school. He also thanked the press of the city, the ministers, the churches and all who had in any way helped to make the enterprise a success, and he felt certain that all had a happy, a hot, and a good time.

The following is a list of the teachers, the first named being the principal of the department: Kindergarten—Misses Daniels, Harney, Johnson, Putnam and Depew.

Primary—Misses Morey, Long, Dobbins, Pires Fannie Grassly, Pipenbring and Brown.

Intermediate—Rev. A. P. Howells, Mrs. Martin, pianist, Miss Randle, story teller, assisted by the ministers, Miss Pires, cales-

enics and pictures, and P. C. Coover, craft work.  
Juniors—Miss Jennie Grassly, Misses Mason, Wardhaugh, Rose, George and Cannon.

## SOUTH JACKSONVILLE TO HAVE WATER MAINS

Village Proposes to Lay Pipe With General Tax Money

The defeat of the bond issue in South Jacksonville, according to a number of the residents of the village, by no means should be interpreted as meaning that the village does not want water mains. It was stated yesterday that the plan for issuing bonds had been defeated by citizens who favor another plan of meeting the expenses for installing water mains.

The village now has a balance in the treasury from general taxes of \$4,000 and this sum will be sufficient for the laying of mains on South Main street. It is estimated that in three years' time water mains could be put down on all the principal streets of the village and meet the expense of construction from the general tax funds. It is this plan that has the approval of the majority of citizens.

## SCOUTS OF TROOP 4 ENJOYING CAMP LIFE

Meredosia, June 29.—The members of Troop 4 who are now in camp at the Rotary Club cottage spent Thursday in a very pleasant way. During the morning there was a game of "Capture the Flag" resulting in victory for the group captained by Hoover. The Orange division, with Graff as captain, has succeeded in holding the championship until this time.

Among visitors at the camp on Thursday were Mr. and Mrs. LeRoy Craig and Myron Berger and Homer Ranson. The latter has been here since Wednesday afternoon. Mr. and Mrs. V. R. Riley spent Thursday afternoon at their cottage and Mr. Ranson returned to Jacksonville with them in the evening. Mr. and Mrs. Haneline were here Wednesday evening and their son Ernest returned home with them. He left the camp at this time because he is going to Texas for a visit of a week.

The boys of Troop 4 are having a week of rare pleasure and they will all be sorry when the time comes to break camp, but they must make room for other boys and girls who are coming here for a week's outing.

## CHICK EVANS SHOTS WAY INTO THE FINALS

Has Easy Time Defeating Wright—Other Matches Were Hard Fought.

KANSAS CITY, Mo., June 30.—"Chick" Evans today shot his way into the finals of the western amateur golf tournament at the Hillcrest Country Club in one of the best exhibitions of golf ever seen here and George Von Elm of Salt Lake City, will be his opponent. Von Elm outlasted Clarence Wolff of St. Louis in a battle of nerves in their semi-final contest. "Chick" completely outclassed Fred Wright of Los Angeles, six and five, while Von Elm's margin was four and two part of each contest was played in a driving rain storm, but the moisture seemed to help Evans and Von Elm.

Both matches started as if they would run to the 36th hole, each victor being one down at the ninth and one up at the 27th. It was just the old story in the afternoon round of the strain proving too great for some.

Evans, present western amateur title holder, never faltered in the tight plays. Wright a nationally known star, failed in the end and despite a great display of nerve, blew up.

Von Elm, loser of only tournament match in 30 in three years, and holder of the Pacific north-west and trans-Mississippi titles never lost his unerring attitude. Wolff, fighting hard thruout, and several times being in lead, lost control of his clubs when control meant victory.

Evans shot two under par in his 31 holes despite the rain which at

one time made it impossible to see 50 yards ahead. He turned the first nine in par 37, the second in par 36, the third in par 37, and shot birdies and 2 pars in the other four holes.

The real brilliancy of the champion's game did not show in his cards, even though they were under par. It was his deadly accuracy and unerring control of every club in his bag that made Evans' game today worthy of a place in the golf hall of fame. But for a few bad breaks several more strokes would have been cut off of his medal cards.

The Von Elm-Wolff match was anybody's most of the way. Neither man turned in the medal scores which graced their cards in previous rounds, but each played a good game and each made remarkable recoveries from bad shots into the rough and gullies.

Springfield was 54 up; Champaign 43 up; Peoria 28 up; Galesburg 19 up; Bloomington 8 up; Decatur 3 down and Danville 36 down.

Henry Abels of Springfield won the trophy for the best individual showing among bogey with 20 up for the 36 holes and Vance of Peoria was runner-up with 18 up. The driving contest was won by Frank Lindsay of Decatur who shot a perfect drive on the 325 yard first hole to the sand trap that guards the green. The ball stopped within 30 feet of the pin and with carry and roll was near the 320 yard mark.

## BROWNS INCREASE LEAD OVER YANKS

Defeat of Cleveland Gives Leaders Three Game Advantage Over New York—Tobin Injured Sliding Into Home Plate.

ST. LOUIS, June 30.—The Browns secured their hold on first place by one half a game more today, now being three games ahead of New York, as a result of their victory over Cleveland, 10 to 3. Tobin suffered an injured knee sliding home in the seventh and Shorten batted for him in the eighth, smashing the first ball picked for a home run. Wood of Cleveland got four hits out of as many times to the plate as being a four bagger.

## STOCK MARKET

**HAS DULL DAY**  
 By Associated Press.  
 NEW YORK, June 30.—Dull-  
 ness incident to the approaching  
 holiday was the failure of today's  
 extremes stock market. In  
 the turnover of barely 500,000  
 shares, many of the usual leaders  
 were quoted only occasionally  
 and some were utterly neglected.  
 Rails were the strongest issues.  
 Accumulation of some of the  
 more seasoned shares of that  
 group evidently indicated Wall  
 Street's growing conviction that  
 means would be found to break  
 the deadlock between employes  
 and the railroad executives.

Aside from the strength of  
 Baldwin, Crucible and Studebaker,  
 at final advances of 1 to 2½  
 points, most gains were limited to  
 obscure industrials and special-  
 ties.

Call money's gradual rise from  
 the opening and renewal rate of  
 4½ per cent to 5½ per cent just  
 before the close was traceable to  
 further withdrawal of funds to  
 meet tomorrow's interest and  
 dividend payments. Time loans  
 running into the year's last quar-  
 ter were reported at 4½ per cent  
 shorter dates being offered at 4  
 per cent on high grade security.

Excepting the German rate,  
 which made another decline to  
 the new low of .026½ and an-  
 other slump in Greek bills, the  
 entire range of European ex-  
 changes was substantially better.  
 Recovery in sterling amounted to  
 almost two cents.

Liberty bond dealings were  
 marked by a new top for the  
 Fourth 4½ at \$100.30 and net  
 gains for most of the group.

Total bond sales (par value)  
 aggregated \$12,071,000.

## CATALOGS ARE OUT FOR COUNTY FAIR

Indications Point to One of the Old Time Fairs—Many Entries Are Expected in the Races and Stock Show.

The Morgan County Fair this year promises to rival any of the old fashioned fairs that have been held in the past on the old grounds. Restoration of the race track and the grandstand recall those grand old days, and after the tents have been erected to take the place of the missing buildings it will be indeed be a pleasant reminder of the old fashioned county fair.

The first of the Morgan county fair catalogs have at last come from the press. About three thousand of the publications have been released and the mailing list will be filled immediately. The catalog this year is much larger and more elaborate than any heretofore, thus predicting the fair this year to be a gigantic event.

Altho it is yet nearly two months until time for the big fair, things are beginning to hum in anticipation of it. The preparation for the many racing events has been a feature during the past two months and has been crowned with the completion of the new race track.

The exhibits this year will be opened to the world, which means that there will be no limit to the number and kind of exhibitions that may be brought. Several thousand entries are expected. All exhibitors will be required to buy a special exhibitors' ticket, which will cost \$1. This entitles him to entrance to the grounds and any entry he may choose to make, except where a stated entry fee is required.

Livestock displays will be very elaborate as several hundred dollars in prizes are offered. Satisfactory proof of the pedigree and breeding of each animal must be made to the superintendent before hand and be kept ready for display. The name, age and breed of each and every animal must be displayed in a conspicuous place. In case where there is no competition, an animal will be awarded first prize on merit, but will receive only a second premium.

Rental of concessions for refreshment booths is left in the hands of the Chamber of Commerce, and all applications for such must be addressed to Harold Welch, at the Chamber of Commerce rooms.

Absolutely all entries must be made before Saturday, August 26th, with the exception of those in the farm products department, which will be given until Monday, August 28th. All exhibits must be in place for the opening at nine o'clock, a m., the first day of the fair.

A special effort will be made by the board this year to prevent the sale of any intoxicating liquor whatsoever and to make the fair this year the cleanest as well as the largest of any in the past.

#### PIGGLY WIGGLY STORE NEW ENTERPRISE HERE

Self Service Grocery to be installed in Knollenberg Building on East Side Square.

The Kopper Insurance Agency, which has been located in the Knollenberg building at the northeast corner of the square and East State street, has been removed to the second floor of the Ralston & Reid building on East State street. The spacious room the agency will occupy is opposite the farm bureau office.

No announcement has been made but it is understood that the lease on the Knollenberg building Dr. Kopper held has been transferred to a Piggly Wiggly company. It is known that the company for a number of months past has been seeking a Jacksonville location, and it is understood that arrangements were finally made for the securing of the Knollenberg building.

#### BIG FUND RAISED FOR CALIFORNIA COLLEGE

For two months two colleges in California have been in the process of amalgamation. The institutions are located at San Jose and Stockton and have been united under the name of the College of the Pacific.

A campaign has been in progress to secure the needed endowment for this enlarged institution. Dr. John H. Hancher, so well known in Jacksonville in connection with college endowment work, has been in charge of the campaign. A telegram received by Dr. Harker from Dr. Hancher yesterday gave the good news that the campaign has come to a successful close and the goal of an endowment of a million and a half has been reached.

The telegram dated at Stockton said: "The College of the Pacific conflict is at an end and the victory is won. After proper equalization the exact figure stand at \$1,500,000. We have about 7,500 subscriptions and in the total \$750,000 was subscribed in sums of \$250 and less.

#### INCORPORATION CERTIFICATE FILED HERE

A certificate of incorporation of the Ideal Baking Co., was filed Friday in the office of Circuit Clerk Wamamaker. The stockholders in the corporation are J. N. Conover, C. T. Mackness and H. E. Clemens. The amount of the capital is \$30,000.

#### DATE FOR PAVING HEARING SET.

## CLUBS AND SOCIETY

#### To Give Church Social

The Queen Esther's society of Centenary church will give an ice cream social this evening on the lawn of that church. Mrs. Claude Vail is making the arrangements for the affair.

#### Will Give Dancing Party

Miss Angie Joy and Arthur French will entertain this evening at an informal dance. Only a few couples have been invited for this event which will be at the home of Mr. and Mrs. Edward Joy, northwest of the city.

#### Held Picnic at Park.

The Business and Professional Womens Club enjoyed a picnic last night at Nichols Park. Each lady was privileged to bring a guest to partake of the clubs hospitality. A delicious picnic supper of many good things was enjoyed, and as there was no program or business, the ladies then dispersed for their homes.

#### Had Social Meeting.

The stenographers employed on the third floor of the Ayers Bank building enjoyed a social meeting in one of the offices on the floor yesterday afternoon. Delicious refreshments of ice cream cones and coca cola were served by the hostess. The party was purely of an informal nature.

#### Lynnville Senior Endeavor Supper

The Senior Endeavor society of Lynnville Christian church gave a supper benefit to send representatives to the state conference at Eureka. A delicious supper of sandwiches, ice tea, ice cream and cake was served and much appreciated by those in attendance.

The supper was held in the basement of the church at about 7 o'clock. The state conference before referred to will be held this month and the society hopes to send Miss Margaret Heaton and Miss Mildred Ranson as their delegates. Miss Margaret Heaton is the president and, with the help of Miss Sallie Heaton and Messrs. Fred and Claude Jewsbury who compose the general committee, was in charge.

#### Children's Party at Coultas Home

A delightful children's party was given Friday afternoon at the home of Mrs. O. F. Coultas, 1659 South Main street, the affair being in honor of the ninth birthday of Robert Coultas. Games of various kinds made the afternoon a very happy one for the children, and the refreshments were of a kind which greatly pleased the little guests. Mrs. Coultas was assisted in entertaining by Miss Alice Clark. The out of town guests were Clarence and Andrew Carter of Atlanta, Ga., and Stuart, Julia and Dorothy Anne Greenleaf of Alexander.

#### Rainbow Class Enjoys Outing

G. J. CHARLTON VETERAN PASSENGER OFFICIAL

Today will mark the 46th anniversary of the connection of George J. Charlton with the Chicago & Alton R. R. It was July 1, 1876, that the present traffic manager of the road entered its employ. At that time his father, the later James Charlton, was general passenger agent and in a few years time the son became his father's valued assistant.

About 25 years ago the elder Charlton retired and the son became the general passenger agent. Subsequently the title was changed to passenger traffic manager.

Mr. Charlton is one of the best known passenger traffic officials in the entire U. S. and the Alton has been fortunate in retaining his services thru such a long period of years.

EXPENSIVE FROG LEGS.

Robert Birnbaum, proprietor of the Loop cafe and cafeteria yesterday paid a fine of \$15 and costs because a game warden found five dozen frog legs in his possession.

Mr. Birnbaum was not to blame in the matter, but paid the fine in Justice Opperman's court. The facts are that he ordered the frog legs from St. Louis shipped for use July 2. The shipment arrived yesterday and the game warden came soon afterward. Mr. Birnbaum made the best of an unfortunate situation.

#### RETURNS TO CITY

Miss Helen Ryman, who has been attending college in Fresno, Calif., for the past two years, returned to Jacksonville yesterday and expects to remain here. She is the sister of Miss Maude Ryman public school nurse.

Mr. and Mrs. J. L. Dunnway and grand-daughter Margaret Leo and Mrs. M. D. Whitlock and son are visiting in White Hall.

## ONE KILLED WHEN AUTO TURNS TURTLE

#### R. C. Wallace of Bluffs Killed Instantly While Wife and Daughter Are Injured—Former May Not Survive Shock.

R. C. Wallace of Bluffs was instantly killed when the car he was driving on the Jacksonville-Springfield road turned turtle at six o'clock last night. His wife and little daughter sustained minor injuries while Mrs. Wallace's brother escaped without injury.

Mr. and Mrs. Wallace with their daughter and Mrs. Wallace's brother had started to Riverton from their home in Bluffs. Upon rounding a short curve about three miles west of New Berlin, the car turned over twice, pinning the occupants beneath it. The accident was witnessed by Mrs. J. D. Smith, who was in her home at the time. The car turned turtle directly in front of the house.

Upon rushing to the scene, Mr. Wallace was found pinned beneath the car with his neck broken. He died almost instantly. His wife and daughter, Virginia and Mrs. Wallace's little brother were taken from the wreck, to the house and a doctor called. Mrs. Wallace was found to be suffering from severe shock and it is feared that it may be too much for her, even tho she sustained only minor injuries.

Louis Cain of this city, was one of the first to arrive at the scene and stated that the car was setting upright directly in the middle of a smooth road. A group of dead chickens were found pinned under the car which forwards the theory that Mr. Wallace was trying to dodge a bunch of them, which caused his wheels to cramp. The car which was a large one, was a total wreck.

Mr. Wallace has for several years been the roundhouse foreman at Bluffs and resided in this city for many months. He was well known both in Bluffs and Jacksonville. He is survived by a small daughter, Virginia, and his wife.

## MASONIC BUILDING BURNED AT PEARL

#### Blaze of Unknown Origin Totally Destroys Large Frame Structure Last Night.

A large frame structure known as the Masonic building was totally destroyed by fire of unknown origin at Pearl last night. The building was occupied on the lower floor by a barber shop belonging to Mr. Rotor and as a place of residence by Dr. Thurman. It is understood that only a part of the \$5,000 loss is covered by insurance.

The blaze was first discovered at 4:45 o'clock and had already gained such headway as to be beyond all control. Efforts to save all adjoining buildings were rewarded as the flames were confined to the frame structure. Noteworthy work was done by a bucket brigade which was hastily formed.

Practically all of the furnishings of the Masonic hall were saved, but the equipment of the barber shop and doctor's quarters were totally destroyed. The heaviest loss will fall upon Dr. Thurman.

The blaze appeared to have its start in the rear of the barber shop, altho no cause could be ascertained.

#### "BULL DOG" OSBORNE VISITOR IN CITY

"Bull Dog" Osborne, one of the best known and liveliest traveling salesmen of this part of the country, paid the city a visit yesterday. Mr. Osborne travels in a Ford car which he has fixed in a novel and practical manner. The front seat of the car is locked in its usual upright position during the day and at night may be let down, making the whole car into a big soft bed. His sample cases are carried in a large box at the side of the car, thus making room for personal baggage in the interior.

Mr. Osborne represents Hughes and Potter of Boston, who manufacture "Bull Dog" suspenders, having represented the firm for so long Mr. Osborne is popularly known as "Bull Dog."

Mr. Osborne is accompanied on this trip by his wife who says she enjoys life on the road.
